Deborah Frontczak, Clinician

NPM Detroit invites all Cantors, Choir Members, and Music Directors to this Vocal Technique Workshop. Deborah Frontczak is a noted vocalist and Music Director at St. Thecla parish in Clinton Township, Michigan. She holds a Master Degree from Wayne State University in Applied Voice, and a Professional Studies Diploma from the Cleveland Institute of Music. Ms. Frontczak is back to share her vocal pedagogy expertise to help us all sing better. Her presentation combines humor with a hands-on approach, allowing everyone to learn and understand key tools to improve their singing. A light breakfast and full lunch is included.

After lunch, we will have a Master Class where participants can sing for Ms. Frontczak and receive feedback on their technique. Watching, listening, and participating in this process, even if you are not the singer, is a great way to learn more about your own voice, as we all tend to have similar vocal issues! If you don't get a chance to sign up to participate in the Master Class in advance, you may still have an opportunity to sign up that morning, so come prepared and bring several copies of your music.

For questions or info about parish group discounts (6 or more), contact Rob Buzaitis at 248-880-0528 or rob.buzaitis@gmail.com.

Continental Breakfast and Lunch will be provided.

Fee: Members of NPM Detroit - \$15 Non-Members - \$25
